Rules of Play

1. Click on 8 of the 14 fields in succession to reveal either a smiley, a lucky wheel symbol or a joker symbol. Matching smileys and symbols are automatically marked in the game area.
2. If you reveal the joker symbol, this is automatically marked in the game area and you are allowed to reveal one additional field.
3. If you reveal the lucky wheel symbol, the Lucky Wheel minigame will open. Three fields in the lucky wheel are smileys, and one field depicts an amount of money. Two sections are empty. Click on the lucky wheel to spin it. You win the content of the section that the pointer stops on.
4. If you mark a complete horizontal, vertical or diagonal line in the game area, you win the amount shown.
5. The game is over when the number of fields still to be revealed is zero.

Multiple wins are possible.

Further provisions

The online instant ticket «Funny Money» is also subject to the provisions of the present Game Rules, the Online Instant Ticket Products «Clix»: General Terms of Participation as well as the Terms for Online Participation.

In the event of any conflicts, the following provisions take priority.

If the **Buy instant ticket** field on the button for the online instant ticket product «Funny Money» is clicked, an online instant «Funny Money» ticket and the accompanying instructions for play will appear in a window. The purchase price will automatically be deducted from the balance in the player's wallet.

The player acknowledges that the online instant «Funny Money» ticket randomly produced for him was pregenerated by the interactive gaming system. This means that, prior to the time of purchase, each online instant ticket was encoded with a unique instant ticket number and the result (i.e. the winning instant tickets) was determined in advance by the interactive gaming system by means of a draw. The instant ticket number appears in the lower section of the window for the online instant ticket; the instant ticket number is the sole indicator of the result of the lottery.

Consequently, by purchasing an online instant «Funny Money» ticket, the player takes part in a game of chance in which neither skill nor the player's choice nor the graphic animation itself determines the outcome of the game.
