

## Game Rules for the promotional lottery "Every 10<sup>th</sup> play a winner 1/2018"

### General information

1. "Every 10th play a winner 1/2018" is the name of a promotional lottery offering the chance to win prizes in the form of free Swiss Lotto picks worth a total of CHF 500,142.50.
2. These Game Rules supplement the General Terms and Rules for participation in Swiss Lotto, the General Terms and Rules for Promotional Lotteries, the Terms and Rules for participation via Swisslos sales outlets as well as the Terms and Rules for participation via the Internet Gaming Platform.

### Entitlement to participate

3. Participation in the "Every 10th play a winner 1/2018" promotional lottery requires prior participation, i.e. a minimum stake of CHF 5 (five) in the Swisslos lottery product Swiss Lotto.
4. Every Swiss Lotto play request submitted between 16.07.2018 and 05.08.2018 at the latest in accordance with Section 3 is entered once into the promotional lottery "Every 10th play a winner 1/2018" providing the specified maximum number of prizes has not yet been reached.

Any play requests that benefit from another Swisslos promotion and any Swiss Lotto play requests issued through the redeeming of a Replay prize are explicitly excluded from this promotional lottery.

Play requests that are subsequently cancelled lose any entitlement to a prize.

5. If the maximum number of prizes is reached before 05.08.2018, the promotional lottery ends automatically and participation is no longer possible.

### Prize structure

6. The prize structure comprises the following prizes:

## Draw

- The Swiss Lotto gaming system automatically assigns the prizes to the individual play requests based on predetermined rules, whereby every participant has the same chance of winning, regardless of the stake.

## Entry confirmation tickets

- If a prize is won by playing at a physical sales outlet, the prize entitlement is marked on the corresponding Swiss Lotto entry confirmation ticket and a second entry confirmation ticket with the free Swiss Lotto picks that have been won is printed from the lottery terminal installed at the sales outlet. The free Swiss Lotto picks that were won are entered into the next possible draw (see image below).

If a prize is won by playing via the Internet Gaming Platform, the prize entitlement is shown above the Swiss Lotto entry confirmation ticket. The play request with the free Swiss Lotto picks that were won can be viewed in the game account. The free Swiss Lotto picks that were won are also entered into the next possible draw.
